NOTIFICATION FOR NATIONAL TREASURY CENTRAL SUPPLIER DATABASE.

The purpose of the circular is to inform all National Film and Video Foundation (NFVF) service providers about National Treasury's Central Supplier Database (CSD), which is a single platform for the registration of prospective suppliers including the verification functionality of key information.

With immediate effect, the NFVF will only be allowed to source goods and services from suppliers who are registered on the CSD. You are therefore requested to register on National Treasury's CSD for the supply of goods and services to the NFVF.
