1. PREAMBLE AND PURPOSE OF THIS CHARTER

- 1.1 The National Film and Video Foundation (NFVF) is a statutory body created by the National Film and Video Foundation Act No. 73 of 1997 to develop and promote the equitable growth of the South African film and video industry.
- 1.2 The NFVF is guided by a Council, consisting of highly respected professionals with diverse expertise in the film, television industry, television industry, policy, corporate governance, and financial management.
- 1.3 The Council of the NFVF is ultimately accountable and responsible for the performance and affairs of the NFVF and regards good corporate governance as pivotal to the success of its business, its stakeholder relations, and the ability of the NFVF to deliver on its mandate.
- 1.4 This Charter aims to regulate the parameters within which the Council will operate and to ensure the application of the principles of good corporate governance in all dealings by, in respect of, and on behalf of the NFVF.
- 1.5 The Council aims to align its governance practices with global standards in the creative industries while ensuring localized relevance to South Africa's cultural and economic context.
- 1.6 Whilst this Charter includes references to minimum acceptable standards of governance, in pursuit of its underlying ideals, it is critical that the substance prevails over form. The Council, therefore, reaffirms its intention to exceed these corporate governance standards wherever reasonable, having due consideration to recognised standards of governance, best practices locally and internationally, the recommendations of the King Report on Corporate Governance for South Africa ("King IV"), and the objectives set out in section 3 of the NFVF Act.

2. LEGISLATIVE AND GOVERNANCE FRAMEWORK

In addition to founding legislation described in 1.1 above, the NFVF is regulated in terms of the NFVF Act and the provisions of the Shareholder Compact, the Public Finance Management Act (PFMA) and the National Treasury Regulations, and other applicable laws of the Republic of South Africa. The King Code (IV) also applies as best practice for good corporate governance.

3. COUNCIL'S MANDATE AND GOALS

- 3.1 The Council is responsible for ensuring that the mandate of the NFVF to develop and promote the film industry, as set out in the NFVF Act, is achieved.
- 3.2 The Council has adopted the following goals to guide it and the NFVF in the delivery of the NFVF's mandate. In the key areas of the Development and Promotion of the film industry, Stakeholder Relations, Financial Management, Human Resources, and Corporate Governance, the Council has committed itself to:

- 3.2.1 Ensuring that the NFVF increases the number of South African Films and Previously Disadvantaged Individuals (PDI) producing them;
- 3.2.2 Ensuring that the NFVF increases audience access to South African Films;
- 3.2.3 Ensuring that the NFVF increases the number of people trained in the industry, particularly in areas of scarce skills; as outlined in the National Scarce Skills List by the Department of Higher Education and Training to the extent applicable;
- 3.2.4 Ensuring that the NFVF promotes the South African Film Industry locally and internationally; including actively pursuing and managing international co-production agreements and partnerships.
- 3.2.5 Ensuring social cohesion and the expression of the nation's stories through film; with a focus on diverse and inclusive storytelling that reflects South Africa's cultural, linguistic, and geographic diversity.
- 3.2.6 Promoting the use of cutting-edge technology and innovation in film production, distribution, and audience engagement to enhance global competitiveness.
- 3.2.7 Maintain a procurement policy that complies with the Preferential Procurement Policy Framework Act, and the Broad-Based Black Economic Empowerment Act, and promotes ownership including creative content, and the participation of youth, women, and persons with disabilities in the film industry;
- 3.2.8 Creating targeted programs to develop youth talent and entrepreneurship in the film industry, fostering the next generation of filmmakers and industry leaders.
- 3.2.9 Establishing structured engagement processes with industry stakeholders, including independent producers, unions, and creatives, to ensure inclusivity, transparency, and collaboration in decision-making.
- 3.2.10 Make the NFVF a place of preferred employment by attracting, retaining, and nurturing talent in the NFVF, while ensuring appropriate compliance with the Employment Equity imperatives and aspirations of the Republic;
- 3.2.11 Put in place an information system that will enable the NFVF to deliver on its mandate;
- 3.2.12 Ensure full compliance by the NFVF with the NFVF Act, this Charter, and other legislation applicable to the NFVF and put in place systems, policies, and procedures to ensure improved business processes, achieve efficiencies and ensure good governance within the NFVF; and
